Railway Share of Expenditure on Government Railway Police

1225. SHRI NARENDRA MOHAN: Will the Minister of RAILWAYS be pleased to state:

(a) Whether differences persist between the Railway Ministry and the State Goverments about the quantum of outstanding dues payable by the Railways as their share of expenditure on Government Railway Police;

(b) if so, whether any delay in resolving the payment of outstanding dues will not slacken the efforts of concerned State Goverments towards providing security cover in the running trains thus increasing incidence of crimes, especially in crime prone areas; and

(c) When this matter is likely to be resolved and what are the details thereof?

THE MINISTER OF RAILWAYS (SHRI RAM VILAS PASWAN): (a) Differences exist with some State Governments with regard to the posts created without the consent of the Railway Adminstration. Admissible dues of all State Governments are being cleared gradually. A statement showing details is as udner:—

(a) whether the Railway Ministry plans to cut jobs at the rate of 2.5 per cent annum during the next three-four years while embarking upon a two-fold strategy to reduce the expenditure and to maximise the earnings;

(b) if so, what areas of operations have been identified for such staff reduction; and

(c) what are the steps proposed to maximise earnings?

THE MINISTER OF RAILWAYS (SHRI RAM VILAS PASWAN): (a) and (b) The Ministry of Railways do not have plans to cut jobs @ 2.5% per annum during the next three-four years.
